THE COUNTDOWN TO PENTECOST IS NEARLY OVER

The Intercontinental Church of God Kansas City holds services every Sabbath day (Saturday) at 11:30 AM at "The Pearl" meeting hall on the lower level. It is located at 13137 Wornall Road, Kansas City, MO 64145. Pull up the driveway on the left side of the building and park in the parking lot behind the building. Enter through the door in the back of the building. Do NOT use the front door as it is on the upper level and is normally locked. The rear door goes straight into our meeting room. The door will open by 11:00 AM and the service will begin promptly at 11:30 AM.

The first Sabbath of the month is a Bible study. It is conducted at the normal time. On the third Sabbath of each month, the service is followed by a potluck. All are invited.

In addition, this is the location for most of the Holy Day services for 2011. **The exception is Pentecost which will be held at Tom Kalin's barn on Sunday, June 12 at 11:30 am.** For more details, please see the "Pastor's Corner" column beginning on page two. As always, the annual Holy Days for 2011 are listed on the left side of this page.

The Commandments of God

You shall have no other gods before Me.

You shall not make for yourself a carved image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth.

You shall not take the name of the Lord your God in vain, for the Lord will not hold him guiltless who takes His name in vain.

Remember the Sabbath day, to keep it holy. Six days you shall labor and do all your work, but the seventh day is the Sabbath of the Lord your God. In it you shall do no work: you, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your cattle, nor your stranger who is within your gates. For in six days the Lord made the heavens and the earth, the sea, and all that is in them, and

rested the seventh day. Therefore the Lord blessed the Sabbath day and hallowed it.

Honor your father and your mother, that your days may be long upon the land which the Lord your God is giving you.

You shall not murder.

You shall not commit adultery.

You shall not steal.

You shall not bear false witness against your neighbor.

You shall not covet your neighbor's house; you shall not covet your neighbor's wife, nor his male servant, nor his female servant, nor his ox, nor his donkey, nor anything that is your neighbor's.'

There Is A Light At The End Of The Tunnel!

Is the World about to end? How about all the devastation that is happening all around our globe? With 2012 just around the corner is there hope for our planet? Now that I have your attention. We must look at God's Plan of Salvation for mankind. Our Nation out of control with spending, 14 Trillion Dollars and rising hourly. Some are giving up and laying down their guard. We must endure till the very end, not be quitters, and fight the good battle that Paul wrote about in the New Testament. The end of this age is coming but not the end of the world. There are many years ahead for God's Plan to be worked out right here on earth. What about the Thousand Year period with Christ's Government and the rest of the dead. Will they have their chance, or is that just a fable that we are telling ourselves?

We, the members of God's Churches, must set an example and not be a doubting Thomas. I have no idea when this present age will end or when will be

the end of our planet. Heaven is coming to our world and the universe will be ruled from this small planet some day. No time to worry about tomorrow we must deal with today. Many think they may be fleeing to a place of protection while the tribulation is going on, but they may find out that won't happen and that they must get closer to God and His Ways. Let us not slip into the Laodicean thinking and end up without your crown. I don't have all the answers. I do believe that as we know and obey God's Ways, he will give us the understanding that we need. He has promised not to test us above what we can bare and I do believe him. God knows us to our core and he is all forgiving to those with a repentant heart.

We are in the second Holy Day season and Pentecost is coming up in a couple weeks on June 12. We will be having services on Sunday at 11:30 am at the Kalin's Barn to commemorate this very special beginning of the church when the 120 received the great gift of the Holy Spirit to help them, like us, be more God like. It most important for us to keep this Holy Day with others of like mind than to stay home and keep it by ourselves. First Fruits, Feast of

Pastor's Corner (continued)

Sabbaths, and Feast of Weeks are all different names for what we know as Pentecost. It is the beginning of the harvest that will come to all mankind. Jesus Christ was the first born of many to come so that we can be a part of the same experience upon His return. He is coming back to gather his saints and priests to help him bring restitution to this sick world in which we all inhabit. It is true that there is a light at the end of the tunnel. Our Lord and Savior is bringing life giving renewal to our planet and setting up His kingdom here on earth in the near future. No man knows when that will be, not even the Angels of Heaven. Only the Father knows the time. Your opportunity to be part of the first fruits is now and will be closing toward the end of this age. Don't wait too long! It will come like a thief in the night and if you hesitate it may be gone before you know it. Pentecost is an important part of God Plan for Salvation for mankind and you have the choice to be with Him or not. Think about it and make your stand. It is for all eternity.

Earlier this month there was a church conference in South Carolina. It was sponsored by Mr. Robert Nunnery. What a wonderful weekend with most of the ministry and the leadership present. I am hoping that it can become an annual event to bring us together as we face the days ahead and the challenges that we all share as shepherds in God's Work.

Joplin, Reading, and the other cities recently destroyed by tornados need our help and our prayers. Some of us should, if able, remember these people and do what we can to give them comfort. It could be us next time. The Bible clearly states that we could be doing this for angels and remember the example, when did I do this, when you did it to the least of them. What an example other have been. By our example others may see God through us in the works we do and become interested in what makes us so different. The choice is yours.
